I've been beer blogging ad-free since 2009, going on 8th year here pretty soon. While many web sites earn support from ads // I hate ads, it just ruins the experience in my opinion and clutters up the web site with junk that no one clicks on anyways.

If you think that I have done a good job and want to continue to support my efforts going forward, please consider donating whatever amount you see fit. Because pay-pal charges a fee of 0.30 cents, +2.9% – please consider donating a minimum of \$5 dollars, so that it actually helps us more than pay-pal ☐

Thanks for listening and take care!
